

"Decoding Pathways To Achieve Net Zero"				
Conference Agenda, The Battery Show India, 2025				
Date	Time	Session Title and Hall Alpha	Time	Session Title and Hall Beta
<b>Day 1, 30th October</b>				
30 Oct	12:00-13:00	<b>Making Storage Grid-Ready – Unlocking Value in Power Markets</b> Powered by: CEEW	12:00-13:00	The Storage Equation: Contracts, Costs & Confidence for BESS Growth Powered by: Wood Mackenzie
<b>NETWORKING LUNCH</b> 13:00-14:00				
30 Oct	14:00-15:00	<b>pv magazine Insight – Building an Indian battery supply chain</b> Powered by: pv magazine	14:00-15:00	Presentation Session 1400-1420 <b>WORLEY</b> <a href="#">Details (TBC)</a> <b>1420-1440</b> <b>Presenter:</b> François Verkindt, Head of EV Battery, Schneider Electric <b>Topic:</b> "Optimizing Battery Production with Real-Time Quality Insights from Integrated Ultrasound and Automation Solutions"
<b>Networking TEA/COFFEE</b> 15:00- 15:30				
30 Oct	15:15-16:15	<b>Decoding batteries: technology, consumer insights and current challenges in Indian market!</b> Powered by: S&P Global	15:15-16:15	Presentation Session
30 Oct	16:30-17:30	<b>3rd Gen Energy Station Storage and BESS</b> Powered by: NHEV/EODB	16:30-17:30	<b>Topic: How EVs can transform logistics &amp; public transportation</b> Powered by: Praxis Global Alliance
<b>Day 2, 31st October</b>				
31 Oct	10:30-11:30	<b>India's Battery Manufacturing Industry: Taking Stock of Progress and Assessing - Future Growth Opportunities - progress made, demand outlook, technology shifts, global competitiveness</b> <b>Powered by: BloombergNEF</b>	10:30-11:30	<b>Part A:</b> <b>Powering Tomorrow: India's Battery Revolution Takes Center Stage</b> <b>Part B:</b> <b>India's Battery Revolution: Haryana Electric Vehicle Policy 2022</b> Powered by: EY
31 Oct	12:00-13:15	<b>Battery Circularity: Scaling Recycling and Repurposing</b> Powered by" TERI	11:30-13:00	<b>Presentation Session</b> <b>11:30-11:50</b> <b>Presenter:Dr.Stefan GERL</b> , Head of Process Technology Test Center, Maschinenfabrik Gustav Eirich GmbH & Co KG <b>Topic: "Electrode production for wet and dry electrodes from Coin-Cell to Giga-Pilot and Gigafactory scale with Eirich mixers."</b> <b>11:50-12:10</b> <b>Presenter:Juergen Lehmann</b> , Executive Corporate Director, EV Battery Solutions, IKA-Werke GmbH & Co. KG, Germany <b>Topic: IKA-Werke GmbH &amp; Co. KG, Germany</b>
<b>NETWORKING LUNCH</b> 1300-1400				
31 Oct	14:00-15:00	<b>India's EV Battery Revolution: Market Dynamics, Investment Trends</b> Powered by: Frost & Sullivan	14:00-15:00	Presentation Session
<b>Networking TEA/COFFEE</b> 15:00- 15:30				
31 Oct	15:15-16:15	<b>Plug n Play: Building a Localised Battery Ecosystem</b> Powered by: Plug & Play	15:15-16:15	Presentation Session
31-Oct	16:15-17:15	<b>LDES in India: Policy, Technology, and Global Use Cases</b>	16:15-17:15	<b>Industrial Decarbonization and the Rise of Advanced Battery Technology: Accelerating India's Energy Transition</b> Powered by: 1Lattice
<b>DAY 3, 1st November</b>				
1 Nov	11:00-12:00	TBC		TBC
1 Nov	12:00-13:00			TBC
<b>NETWORKING LUNCH</b> 1300-1400
